

Lodge Arpitan

Elegant La Clusaz ski chalet for 10 - hot tub, terraces

Relax and make yourselves at home in this stunning mountain lodge near great skiing and hiking

About Lodge Arpitan ...

This elegant chalet for 10 people is below a quiet residential road between the popular ski fields of La Balme and the charming village of La Clusaz, which has a great choice of bars, restaurants, shops and a weekly market. You can drive into the village in 10 minutes, or if you'd prefer, take the ski bus, which stops just 200m from your door.

Built on the edge of the mountain, the garden drops away steeply in front of the chalet, leaving you with a fabulous uninterrupted view of the Aravis mountains, perhaps best enjoyed from sunken wooden hot tub on the south-facing terrace. On a clear night, it's the perfect place to spend an evening watching for shooting stars, or perhaps a stunning Alpine sunset.

The chalet's neutral palette of creams, white, beige and greys reflects the mountain setting and makes the most of the light, and some well-chosen accessories and lighting create a cosy and welcoming atmosphere. It's a great place to relax at the end of a busy day exploring the mountains.
